## Tax Filings by Year

The IRS [Form 990](#) is an annual information return that most organizations claiming federal tax-exempt status must file yearly. Read the [IRS instructions for 990 forms](#).

If this organization has filed an amended return, it may not be reflected in the data below. Duplicated download links may be due to resubmissions or amendments to an organization's original return.

-

The Internal Revenue Service is substantially delayed in processing and releasing nonprofit filings, so documents available here may not be the most recent an organization has filed. ProPublica posts new tax forms as they are released by the IRS.

## About This Data

Nonprofit Explorer includes summary data for nonprofit tax returns and full Form 990 documents, in both PDF and digital formats.

The summary data contains information processed by the IRS during the 2012-2019 calendar years; this generally consists of filings for the 2011-2018 fiscal years, but may include older records. This data release includes only a subset of what can be found in the full Form 990s.

In addition to the raw summary data, we link to PDFs and digital copies of full Form 990 documents wherever possible. This consists of separate releases by the IRS of Form 990 documents processed by the agency, which we update regularly.

We also link to copies of audits nonprofit organizations that spent \$750,000 or more in Federal grant money in a single fiscal year since 2016. These audits are copied from the Federal Audit Clearinghouse.

## Which Organizations Are Here?

Every organization that has been recognized as tax exempt by the IRS has to file Form 990 every year, unless they make less than \$200,000 in revenue and have less than \$500,000 in assets, in which case they have to file form 990-EZ. Organizations making less than \$50,000 don't have to file either form but do have to let the IRS they're still in business via a [Form 990N "e-Postcard."](#)

Nonprofit Explorer has organizations claiming tax exemption in each of the 27 subsections of the 501(c) section of the tax code, and which have filed a Form 990, Form 990EZ or Form 990PF. Taxable trusts and private foundations that are required to file a form 990PF are also included. Small organizations filing a Form 990N "e-Postcard" are not included in this data.
